

Connecting CTL leaders. Shaping the future of higher education.

A European consortium strengthening the strategic role of Centres for Teaching and Learning through collaboration, shared expertise and research-informed innovation.

Connecting institutions, expertise and practice across Europe.

Our Focus Areas

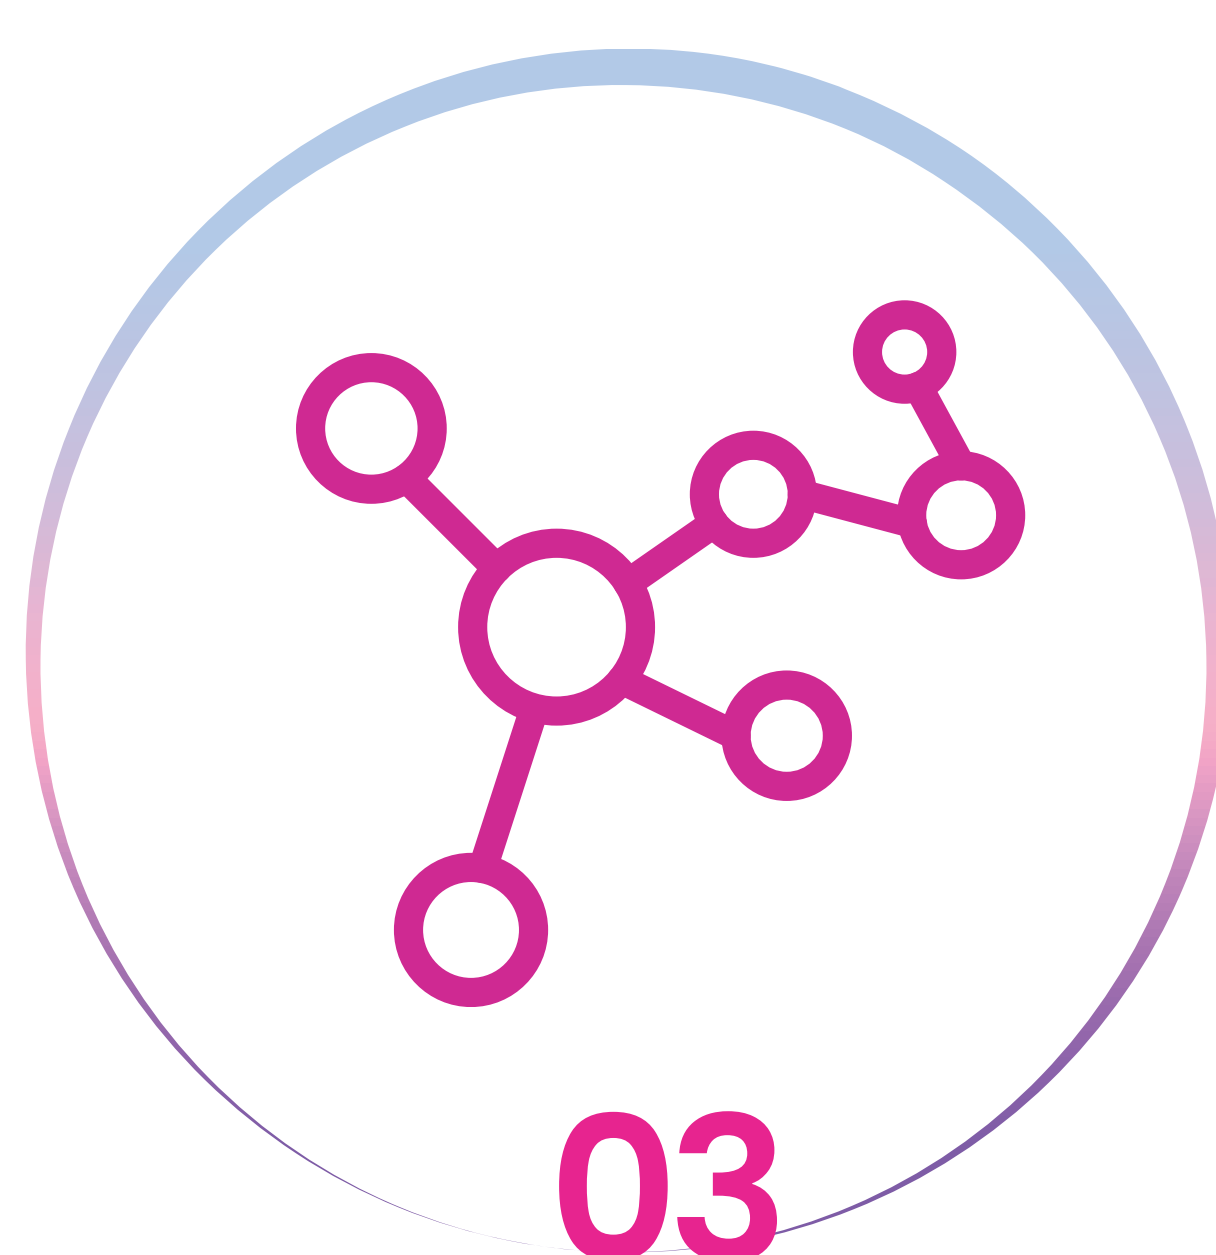

Digital transformation & innovation

Exploring and advancing digital, blended and AI-enabled learning.

Leadership & institutional change

Strengthening the strategic role of CTLs and supporting institutional transformation.

Research, evidence & knowledge sharing

Connecting research and practice through peer exchange and shared expertise.

Communication & strategic positioning

Increasing the visibility and impact of CTLs at institutional and European level.

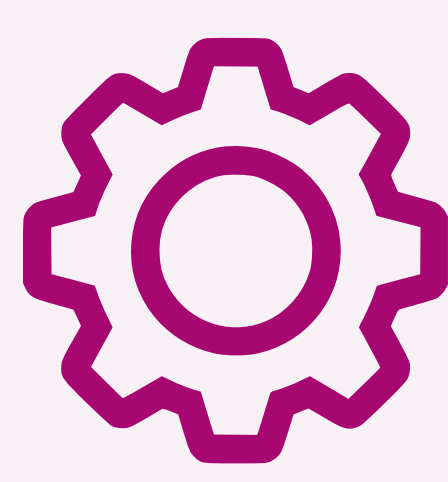

Why Join CTL-Innovate?

Exchange expertise with European peers.

Co-create strategic approaches to teaching and learning innovation.

Strengthen your institutional impact through shared knowledge and proven practices.

Enhance the visibility of your CTL in the European higher education community.
