

Letter of Congratulation from EADTU to UOC and rector Josep A. Planell

On behalf of President Ricardo Mairal, Vice-President Liz Marr and all our members, EADTU extends its warmest congratulations to Rector Josep A. Planell and Universitat Oberta de Catalunya (UOC) on the first 25 years of UOC history.

With great interest we took notice of the commemorative publication and 25th anniversary website (25.uoc.edu), where UOC illustrates its quarter century of promoting talent, generating and connecting knowledge. The interviews, infographics and various other materials are a great resource and testimony to UOC's pioneering spirit.

EADTU firmly believes in the UOC's learning model of student-centered, online learning; organising online, open and flexible education through inclusive structures and methods, guiding students when and where they need it, during all stages of life.

In this respect, we would like to assure you of EADTU's continuing commitment to influence the development and implementation of European higher education policy through collective action, as well as building the brand of online, open and flexible higher education across Europe and beyond.

We look forward to continuing the excellent cooperation between our institutions, wish you the best for the next quarter century and assure you of our highest consideration.

Sincerely yours,

President Ricardo Mairal and Vice-President Liz Marr
